Abstract

The paper analyzes the actions of the Administration of Novy Vasyugan rural settlement. Novy Vasyugan is a village in Tomsk oblast and an administrative center of rural settlement. The Administration is a key element of a democratic society. Every citizen deals with an administration. Nowadays it is developing and legislative branch does not work in a perfect way as its financial and economic resources are limited. The paper describes the structure of rural administration: the duties of municipal bodies, its rights. The goals and results of Novy Vasyugan municipal programs are described: socio-economic growth plan, fire safety municipal target program, energy efficiency municipal target program and anti-extremism complex municipal program.

Keywords: Structure, activity, development programs, rural settlement, municipal formation, administration, village;

1. Introduction

Novy Vasyugan is a village in Kargasoksky District of Tomsk Oblast and the administrative centre of Novy Vasyugan rural settlement. The municipal formation of Novy Vasyugan rural settlement consists of Novy Vasyugan and Aipolovo villages.

The Novy Vasyugan village was founded in 1933 by exiles and convicts from Altai, Omsk and Novosibirsk regions. In the 1940s exiles and deported from Caucasus and the Baltic states added to the Novy Vasyugan population. Novy Vasyugan became the administrative center of Vasyugan district, which was later terminated in 1959. At that time, search for gas and oil deposits began, and qualified workers began to move to Novy Vasyugan, improving the population's standards of life and culture.

Total population of the rural settlement is 2562 people as of 01.01.2016.

The distance between the settlement's administrative center, Novy Vasyugan village, and the district center Kargasok is 255 kilometers by air and 400 kilometers by ice road. Transportation to the district center is by ice road in winter and by air once a week in the rest of the year.

Transportation between the inhabited localities of Novy Vasyugan rural settlement is by the Vasyugan River in summer and by snowmobile on ice road in winter.

The aim of the research was to study the structure and the area of the Administrative Authorities' activities; to describe the development programs of Novy Vasyugan rural settlement; to systematize and deepen the knowledge in the sphere of municipal administration.

In accordance with the set aims the main tasks of the research are: to provide a general overview of the Administrative Authorities of Novy Vasyugan rural settlement; to study the Administrative Authorities' activities; to collect and pre-process the working material.

2. Municipality structure

Novy Vasyugan rural settlement's municipal structure consists of [4]:

a) *Municipal public institution Administration of Novy Vasyugan rural settlement.* It is led by the Head of settlement under the principle of unity of command. The Administration is viewed as a legal entity and possesses the according rights. The Administration is situated at the following address:

636740

Tomsk Oblast

Kargasoksky District

Novy Vasyugan selo

Sovetskaya street 49

The Administration is structured as follows:

b) *Head of Novy Vasyugan rural settlement.* The Head holds the highest office of Novy Vasyugan rural settlement and rules the Administration. The Head is elected for five years by municipal election based on electoral law. The Head is liable to check by and reports to the population of Novy Vasyugan rural settlement.

c) *Municipal public institution Council of the Novy Vasyugan rural settlement of the Kargasovsky District of Tomsk Oblast.* It is the representative body of Novy Vasyugan rural settlement. The Council has ten deputy members who are elected by municipal election by secret ballot based on universal direct and equal suffrage. Council members election is also based on the plurality voting system. A Council term lasts for 5 years.

3. Activities of Novy Vasyugan rural settlement

a) *Duties of municipal bodies* [1]:

1. Planning and reviewing projects of the settlement's budget, approving and implementing the settlement's budget, executing control over its implementation, planning and approving the settlement's budget implementation review;
2. Establishing, cancelling and changing the local taxes and levies of the settlement;
3. Organizing supply of heat, power, gas, water and fuel within the settlement, organizing a sewerage system.
4. Managing the local roads within the inhabited localities of the settlement and ensuring road safety.
5. Providing primary fire safety measures within the inhabited localities of the settlement.
6. Creating conditions for providing the inhabitants of the settlement with public services, trade, communication services and public catering.
7. Creating conditions for leisure and providing the inhabitants of the settlement with services of cultural establishments.
8. Utilizing, preserving and promotion of objects of cultural heritage (historical and cultural monuments) which are the part of the settlement's property, protecting objects of cultural heritage of local (municipal) significance located within the settlement territory.
9. Organizing ceremonial services and maintaining burial grounds.
10. Implementing water safety measures, protection of the inhabitants' life and health.
11. Providing work space at a maintained administrative area for the deputy local district police chief.
12. Implementing anti-corruption measures.

b) *Rights of municipal bodies* [1]:

1. Creating and establishing local museums;
2. Performing notarial acts as laid down by the law in the event of no civil law notary in the settlement;
3. Taking part in custody and guardianship activities;

4. Creating conditions for exercising of rights by local national and cultural autonomies within the settlement.
